

CAPABILITY STATEMENT

COMPANY OVERVIEW

New York Empire Trades Inc. is a Queens-based hardware and building materials supplier specializing in government procurement fulfillment. We provide fast-turnaround sourcing and delivery of maintenance, repair, and operations (MRO) supplies to public agencies throughout the New York metropolitan area. As a materials-only supplier, we focus exclusively on product sourcing and delivery — no installation, no subcontracting — which means streamlined purchasing, faster fulfillment, and simplified vendor management for procurement offices.
